Emirates Aviation University
Entry Requirements of Programmes
2024 – 2025

Tabel of Content

1. Foundation and Diploma Programmes:

- Extended Diploma in Business

- Extended Diploma in Aeronautical Engineering

- Extended Diploma in Aviation Operations

Admission Requirements
Minimum of grade 10 or equivalent, with a strong command of English.

*Notes and remarks:

- For detailed guidance on entry requirements, please contact EAU Admissions at +971 46050100 or email: eau.admissions@emirates.com

2. Undergraduate Engineering Programmes:

- BSc in Aeronautical Engineering

- Applied Bachelor in Aerospace Engineering

- Applied Bachelor in Avionics Engineering

- Applied Bachelor in Mechanical Engineering

- Applied Bachelor in Aircraft Maintenance Engineering

School Curriculum System	Admission Requirements
UAE Curriculum (Thanaweyya 'Ammah)	a) Curriculum Track: • Elite Track: 70% score in Math and Physics* • Advanced Track: 75% score in Math and Physics* • General Track: 80% score in Math and Physics* a) Score of 80% in the English language
British System - AS/A Levels	a) Five GCSE/IGCSE subjects with a minimum grade of "C", and b) Two AS-level subjects (Math and Physics) with a minimum grade of "C" or one A-Level subject with a minimum grade of "C" covering math or physics*
British System - BTEC Level 3 Diploma	BTEC Level 3 Diploma in a relevant field
International Baccalaureate	IB certificate or diploma or career programme (Covering Math and physics)*
American High School Diploma	70% score in Math and Physics*
Indian Boards (Std XII)	Minimum of 55% in the Senior Secondary School Certificate (12th Standard) including Math and Physics*
Pakistani Board HSSC Part I+II (Gr 12)	Minimum of 55% in the Senior Secondary School Certificate (12th Standard) including Math and Physics*
Iranian Curriculum	Score of 15 points in the pre-university certificate, or minimum overall of 75% including Math and Physics*
Russian Curriculum	Score of 4.0 in the final year (grade 11), including Math and Physics*
French Baccalaureate	Score of 11 in the Scientific track, including Math and Physics*

*Notes and remarks:

- Applicants who do not meet the minimum requirements for the program's relevant requirement(s) may be required to complete the EAU entrance exam or a non-credit remedial course.

- Students who completed their previous qualification in English are exempt from English requirements. Otherwise, students will be required to provide / complete one of the following:
    - IELTS Academic with a minimum score of 5.0
    - TOFEL iBT with a minimum score of 61
    - EAU English Test
    - Complete non-credited Foundation English Course with EAU

- For detailed guidance on entry requirements, please contact EAU Admissions at +971 46050100/153/127/203 or email: eau.admissions@emirates.com

3. Undergraduate Computer Science Programmes:

- BSc in Computer Science -Artificial Intelligence
- BSc in Computer Science- Data Science

School Curriculum System	Admission Requirements
UAE Curriculum (Thanaweyya 'Ammah)	a) UAE Curriculum Track: • Elite Track: 70% score in Math or Physics* • Advanced Track: 75% score in Math or Physics* • General Track: 80% score in Math or Physics* b) Score of 80% in the English language
British System - AS/A Levels	a) Five GCSE/IGCSE subjects with a minimum grade of "C", and b) Two AS-level subjects (Math or Physics) with a minimum grade of "C" or one A-Level subject with a minimum grade of "C" covering math or physics*
British System - BTEC Level 3 Diploma	BTEC Level 3 Diploma in a relevant field*
International Baccalaureate	IB certificate or Diploma or career programme (including Math or physics)*
American High School Diploma	70% score in Math or Physics*
Indian Boards (Std XII)	Minimum of 55% in the Senior Secondary School Certificate (12th Standard) including Math or Physics*
Pakistani Board HSSC Part I+II (Gr 12)	Minimum of 55% in the Senior Secondary School Certificate (12th Standard) including Math or Physics*
Iranian Curriculum	Score of 15 points in the pre-university certificate, or minimum overall of 75% including Math or Physics*
Russian Curriculum	Score of 4.0 in the final year (grade 11), including Math or Physics*
French Baccalaureate	Score of 11 in the Scientific track, including Math or Physics*

*Notes and remarks:

- Applicants who do not meet the minimum requirements for the program's relevant requirement(s) may be required to complete the EAU entrance exam or a non-credit remedial course.

- Students who completed their previous qualification in English are exempt from English requirements. Otherwise, students will be required to provide / complete one of the following:
    o IELTS Academic with a minimum score of 5.0
    o TOFEL iBT with a minimum score of 61
    o EAU English Test
    o Complete non-credited Foundation English Course with EAU

- For detailed guidance on entry requirements, please contact EAU Admissions at +971 46050100/176/117 or email: eau.admissions@emirates.com

4. Undergraduate Business Programmes:

- BBA in Aviation Management
- BBA in Global Logistics and Supply Chain Management
- Higher Diploma in Business Management

School Curriculum System	Admission Requirements
UAE Curriculum (Thanaweyya 'Ammah)	a) Overall score of 70% b) Score of 80% in the English language
British System - AS/A Levels	a) Five GCSE/IGCSE subjects with a minimum grade of "C", and b) Two AS-level subjects with a minimum grade of "C" or one A-Level subject with a minimum grade of "C"*
British System - BTEC Level 3 Diploma	BTEC Level 3 Diploma in a relevant field*
International Baccalaureate	IB Certificate or Diploma or Career Programme*
American High School Diploma	Overall score of 70%*
Indian Boards (Std XII)	Minimum of 50% in the Senior Secondary School Certificate (12th Standard)*
Pakistani Board HSSC Part I+II (Gr 12)	Minimum of 50% in the Senior Secondary School Certificate (12th Standard)*
Iranian Curriculum	Score of 15 points in the pre-university certificate, or minimum overall of 75%*
Russian Curriculum	Score of 4.0 in the final year (grade 11)*
French Baccalaureate	Score of 11 in the general track*

*Notes and remarks:

- Applicants who do not meet the minimum requirements for the program's relevant requirement(s) may be required to complete the EAU entrance exam or a non-credit remedial course.

- Students who completed their previous qualification in English are exempt from English requirements. Otherwise, students will be required to provide / complete one of the following:

  - IELTS Academic with a minimum score of 5.0
  - TOFEL iBT with a minimum score of 61
  - EAU English Test
  - Complete non-credited Foundation English Course with EAU

- For detailed guidance on entry requirements, please contact EAU Admissions at +971 46050100/131/122 or email: eau.admissions@emirates.com

5. Postgraduate Programmes:

- MBA in Aviation Management
- MBA in Logistics & Supply Chain Management
- MBA in General Management
- MA in International Human Resource Management
- MSc in Engineering Business Management
- MSc in Aviation Safety
- MSc in Aviation Security
- MSc in Aerospace Engineering
- MSc in Mechanical Engineering

Minimum Admission Requirements
- Bachelor's degree, or   - Licensed AME/Pilot with a minimum of 5 years of experience, or   - Higher Diploma with a minimum of 5 years of experience, or

Minimum Admission Requirements
• Any other qualifications/experience subject to review by the Faculty of Postgraduate Centre.

*Notes and remarks:

- Applicants who do not meet the minimum requirements for the program's relevant requirement(s) may be required to complete the EAU entrance exam or a non-credit remedial course.

- Students who completed their previous qualification in English are exempt from English requirements. Otherwise, students will be required to provide / complete one of the following:
  - IELTS Academic with a minimum score of 6.0
  - TOFEL iBT with a minimum score of 79
  - EAU English Test
  - Complete non-credited Foundation English Course with EAU

- For detailed guidance on entry requirements, please contact EAU Admissions at +971 46050100/176/117 or email: eau.admissions@emirates.com

6. Top-Up Programmes:

- BEng (Hons) in Aerospace Technology (Top-Up)
- BEng (Hons) in Avionics Technology (Top-Up)
- BEng (Hons) in Applied Mechanical Engineering (Top-Up)
- BA (Hons) in Applied Business (Top-Up)

Admission Requirements
Higher Diploma or Higher National Diploma (BTEC Level 5) in a relevant field or equivalent*

Programme:

- BEng (Hons) in Aircraft Maintenance Engineering (Top-Up)

Admission Requirements
Licensed Aircraft Maintenance Engineering (LAME) or Higher Diploma in Aircraft Maintenance Engineering or equivalent*

Programme:

- (Hons) in Air Transport Management (Top-Up)

Admission Requirements
Licensed Aircraft Maintenance Engineering (LAME) or Airline Transport Pilot License (ATPL) or Higher Diploma or Higher National Diploma (BTEC Level 5) in a relevant field or equivalent*

*Notes and remarks:

- Applicants who do not meet the minimum requirements for the program's relevant requirement(s) may be required to complete the EAU entrance exam or a non-credit remedial course.
- Students who completed their previous qualification in English are exempt from English requirements. Otherwise, students will be required to provide / complete one of the following:
  - IELTS Academic with a minimum score of 5.0
  - TOFEL iBT with a minimum score of 61
  - EAU English Test
  - Complete non-credited Foundation English Course with EAU
- For detailed guidance on entry requirements, please contact EAU Admissions at +971-46050100 or email: eau.admissions@emirates.com
